

Year 1 Curriculum Newsletter

Welcome to Year 1!

I am extremely proud of both classes who have made a fantastic start to the new academic year. It has been wonderful getting to know each and every one of them. Every child has demonstrated excellent effort, excitement and enthusiasm at starting their learning journey. While we settle back into school life through our lessons, work and routines, we want you to know that we will do our very best to ensure your child is supported through every step along the way.

Curriculum Overview

Attached to this letter, you will find a curriculum overview of the learning themes and topics we will be covering this half term. I hope that you find this informative and detailed. In class, we are transitioning into formal learning so the children can develop their knowledge and skills further.

Online Safety

A reminder that children should be supervised when using the internet. There are filters available and child-friendly search engines such as 'Google Kids'. Children are not permitted to use social media such as Facebook, Instagram or TikTok until they are aged 13+.

<https://www.bbc.com/ownit/take-control/understanding-age-ratings>

School Timings

Just a quick reminder that our doors will open at **8.35am**, and we expect the children to be ready to go into to class at **8.40am**. If your child arrives **after 8.40am**, please take them to the school office - thank you.

Attendance and Punctuality

Children need to be in school **every day** and **on time**. Face-to-face education is important in helping pupils to fulfil their potential. During school time, pupils should be in class with their teachers and peers and enjoying all the benefits that this brings.

Physical Education and Games

PE will be on a **Monday** and **Wednesday** this term. P.E kits should be brought in on these days, the children will change into their PE kits for the afternoon, their school uniform will come home in their bags.

As the weather becomes colder, tracksuit bottoms and your child's school jumper are suitable for outdoor games. Appropriate footwear is essential. Please make sure children do not wear jewellery to school on these days for health and safety purposes; long hair should be tied back every day.

Phonics

A key focus in Year 1 is ensuring all children are able to recognise, say and blend sounds. We teach this through the Read Write INC programme. It is recommended you practice sounds with your child at home as well as reading their phonics books with them a minimum of **3x a week**. These books will be changed once a week.

The children will also bring home a 'Book Bag Book'. As soon as your child has read this book with you, they can change it for a new one. The children will be encouraged to do this independently so you may like to give them a gentle reminder as they come in to school. All home reading should be recorded in your child's reading record, these will be checked once a week.

Diary Dates

These may change or be added to throughout the course of the term.

Event	Date
Parents Information Meeting	Tuesday 10 th September 2024 8:45am
Year 1 trip to Milestones	Thursday 10 th October 2024
Parents Evening	12 th November and 13 th November 2024
End of term	Friday 20 th December 2024

As always, your continued support is very much appreciated. If you do wish to discuss anything with me, please do contact the school office or arrange a meeting after school.

Yours faithfully,

Miss Mackle
Ash Class Teacher
