Make Every Minute Meaningful

Dear Parents and carers,

We hope you had a lovely half-term with your children. This second autumn term is extremely busy (you'll find the key December dates below). Please do check them carefully as this term is filled with Christmas spirit and plenty of other events and trips.
We have been immensely proud of the children and their learning attitudes this academic year and are looking forward to seeing their progress before the year 2027!

Best wishes, Mrs Houghton and Mrs Webb

Friday 18th December – Christmas jumper day, Christmas lunch and last day of term.

Thank you!

We held our Grounds Morning on 10th October and it was amazing to see all the wonderful people who came and supported us! We achieved everything we could have hoped for – and more! We are so lucky to have such community spirit reflected in our school. I hope you are all enjoying the plants at the front of the school and will continue to do so through the winter months.

Online Safety: Preparing Children for a Digital World

Technology is constantly evolving, and so is our approach to teaching online safety! This year, our teaching team has been working hard to review and update our online safety curriculum to ensure it reflects the ever-changing digital world and the needs of our children.

Our curriculum is shaped by Education for a Connected World, a national framework designed to equip children and young people with the knowledge and skills they need to navigate the online world safely, responsibly and confidently.

The framework outlines what children should know and understand at different ages and stages, covering important topics such as online relationships, privacy, managing information and keeping themselves safe.

Want to know more about what your child is learning? Parents and carers can explore the framework to see the online safety knowledge and skills children are encouraged to develop as they grow.
